2024-2025 APPLICATIONS

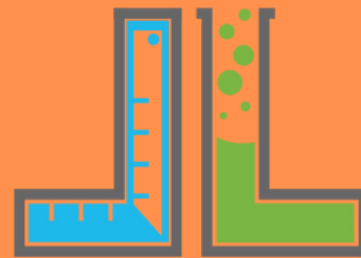

The 2024-2025 application season opens February 1, 2024 and closes April 26, 2024. Applications for “homegrown” and Ready-to-Go projects will be available on Feb. 1st via our [website](#). We are proud to announce that we will be providing schools in the Greater New Orleans area with more Ready-to-Go options.

You're invited to move 'From Passion to Action' at the **35th Annual National Service-Learning Conference®** hosted by @nylc.org. Join us April 3-6, 2024 in Minnesota as we explore how #ServiceLearning can move our work with young people from passion to action! For more information, visit nylc.org/slc.

PLANNING FOR SUCCESS

If you would like feedback on your 2024-2025 project plan before applying, please submit a completed [planning worksheet](#) to maria@stemlibrarylab.org by April 1, 2024.

An application rubric is available in the Application Support section of our [website](#). The rubric is used by staff to gauge whether a project proposal meets our requirements, but it can also serve as a guide for your application responses.

Reminder!

REFLECTION REQUIREMENT

A new requirement was instituted for the 2023-2024 school year. Reflection samples are required as part of your expenditure, reflection, and evaluation (final) report. *Excerpts or quotes from students are not acceptable samples.*

Reflection should generally occur after the investigation, during action, and after action stages of your project.
