## SERVICE LEARNING SHOWCASE

On December 12th, STEM Library Lab will host a biannual Service Learning Showcase. This event highlights current service learning projects and gives attendees opportunities to speak with local service organizations about service learning partnerships. Sign up today at [stemlibrarylab.org/rsvp](http://stemlibrarylab.org/rsvp)!

## NEWS ALERT

### UPCOMING CHANGES

Two major changes are on the horizon for the 2025-2026 application season:

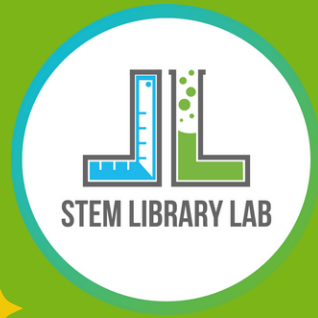

1. An individual teacher may apply for up to **two** Ready-to-Go projects. Administrators are encouraged to have interested teachers apply, rather than assign projects to teachers.
2. Applications must be submitted before or on April 4, 2025, if you wish to receive feedback or opportunities to make revisions.

### EMMY NOETHER SCHOLARSHIPS

The Emmy Noether Award is a merit-based award presented annually to (3) female high school seniors aspiring to pursue post-graduate degrees in STEM-related fields. After completing undergraduate studies, the Gold Medalist will receive up to \$75,000, and the two Silver Medalists will be awarded \$25,000 each for qualified graduate-level programs (to be divided over a 3-year span). The next application period begins January 8, 2024. For more information, visit the [Brown Foundation website](http://Brown Foundation website) or email Nicole Hebert at [emmynoetheraward@thebrownfoundation.org](mailto:emmynoetheraward@thebrownfoundation.org).
