2025-2026 APPLICATIONS

The 2025-2026 application season opens February 3, 2025 and closes May 2, 2025. Applications for “homegrown” and Ready-to-Go projects will be available on Feb. 3rd via our [website](#).

IMPORTANT NOTICE: Applications submitted after April 4, 2025 will be reviewed as is and a determination on funding will be made without feedback from STEM Library Lab.

GRANT WRITING SUPPORT NIGHTS

Join us for our Service Learning Grant Writing Support Nights at STEM Library Lab, held twice a month throughout the application season! These sessions are designed to guide you through the grant writing process, address any questions, and provide assistance with completing final report forms.
